

Student Competition

CSCE Saskatoon welcomes all students to construct a popsicle stick bridge and compete in our annual Popsicle Stick Bridge Competition!

DATE: Thursday, January 26th, 2017

TIME: 3:30 pm – 5:00 pm

LOCATION: Structures Lab, Room 1C01, Engineering Building, University of Saskatchewan

TEAMS: Teams consist of 1 to 4 students

ENTRANCE FEE: **Free!**

PRIZES: 1st and 2nd place winners will be chosen based on the teams that score the most points in the competition (see bridge specifications and contest rules for full details). Prizes are as follows:

1st Place – \$120

2nd Place – \$80

Student winners will be recognized at Professionals' Night (which follows the Popsicle Stick Bridge Competition).

Please note: Only bridge entries constructed by undergraduate students will be eligible for the monetary prizes. Graduate students are still more than welcome to enter the contest at no charge!

REGISTRATION: Register by email to communications@cscesaskatoon.com, or register in person at the Civil & Geological Engineering Department office (3B48 Engineering).

MATERIALS: The bridge must be constructed from a maximum of 100 popsicle sticks and a 120 mL bottle of white glue.

Building material kits are provided (at no cost) by the CSCE Saskatoon Section, and are available from the Civil & Geological Engineering Department Office (Room 3B48). Teams are also allowed to purchase their own building supplies, provided they use only the allowed materials listed above.

Please see our bridge specifications and contest rules for full details on the requirements of the contest. If you have any questions regarding the event, please do not hesitate to contact us by email (communications@cscesaskatoon.com)!
